

Baking with an American twist in Amsterdam-Noord? Become our new **All-round Production Employee!**

About Gary's Home-baked Products

At Gary's, we make everything that gets your heart racing: from fudgy brownies and muffins to authentic bagels and cakes. Our bakery smells amazing every single day — and you can be part of it!

What will you do?

You'll become the right hand of our bakery team. No day is the same, but you can expect:

- The real baking work: Assisting with the production of our cakes and cookies.
- The finishing touch: Cutting, packing, and preparing all those delicious products for shipment.
- Teamwork: Together with your colleagues, you make sure the bakery is completely clean and organized at the end of the day. (Cleaning baking trays is part of the job too!)
- Logistics: Putting the final touches on orders and building pallets.

Who are we looking for?

- You are a hands-on person with an eye for quality.
- You enjoy working in a team and bring a great dose of enthusiasm.
- You speak Dutch or English.
- Experience with HACCP or FSSC 22000? That's a big plus!
- A diploma is nice, but motivation is even better!
- We are a recognized training company, so there are plenty of opportunities for growth.

Why work at Gary's?

- Great working hours: Monday to Thursday from 07:00 to 15:30. Friday from 07:00 to 13:00. Your evenings and weekends are completely yours, and you'll have all public holidays off.
- Salary: Between €2,300 and €2,500 gross per month (based on full-time employment).
- Extras: Travel allowance, pension plan, and of course holiday pay.
- Perks: Enjoy a great employee discount on all our products.
- Security: A 12-month contract (32–38 hours per week).

Can you already picture yourself surrounded by brownies and bagels?
Send us a message and come strengthen our team in Amsterdam-Noord!
